SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Bureau of Justice Statistics, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

- (1) *Type of Information Collection:* Reinstatement, with change, of a previously approved collection for which approval has expired.
- (2) *Title of the Form/Collection:* *Survey of State Criminal History Information Systems.*
- (3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* There is no form number. The applicable component within the Department of Justice is the Bureau of Justice Statistics, in the Office of Justice Programs.
- (4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: State Government. This information collection is a survey of State record repositories to estimate the percentage of total state records that are

immediately available through the FBI's Interstate Identification Index and the percentage of records that are complete and fingerprint-supported.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* It is estimated that 56 respondents will expend approximately 6.2 hours to complete the survey once every two years.

(6) *An estimate of the total public burden (in hours) associated with the collection:* There are an estimated 347 total annual burden hours associated with this collection.
